RE: Civ. Act. NOS. 06-177-KAJ
06-152-KAJ
06-151-KAJ
06-127-KAJ
05-536-KAJ

Sir:

As is evidenced by my enclosed documents sent to me by B.E. (Brian Engram), SHU Law Library employee, here at Delaware Correctional Center, where I have been illegally administratively classified (w/out the benefit of hearings) to maximum security status, he (Brian Engram) is denying me photocopies so I may properly submit to the Court these necessary papers and documents to properly prepare and advance my allegations in this Honorable Court. Brian Engram's stated actions are tantamount to denying this litigant to access to the Courts, i.e. your court. Your Honor has granted me in forma pauperis status, as this library employee is well aware, yet, he threatens me w/ non transaction compliance because of insufficient funds in my account. I am requesting your Honor to intervene in my behalf, or, should your Honor order, I may file a preliminary injunction and/or Temporary Restraining Order. Please Advise.

-Please return these documents to me, here, at prison. Cfe

Fr Cardone,

This request is denied as presented for photocopies. The list of grievances, resolutions and sick call requests are not legal photocopies. If they are part of a court motion, they need to be attached with said motion and identified as exhibits on the document and the court motion. You have the option of sending the above mentioned documents to the Business Office with a pay-to (\$0.25 cents/page). You must have sufficient funds in your account for this transaction.
